

## Class Fees Calendar

Our fees are worked out on 36 sessions a year plus 6 workshops. We have not included the costs in these fees for choreography workshops they will be collected on the first of the month the session is due. We do not yet have the dates for choreography so we have estimated and allocated three sessions which we may need to switch around depending on the schedule supplied by Spring CTD. In the unlikely event of a cancelled session we will do our best to replace this where possible.
